Wild Things and Exotic Animal Park Tour

Take a Safari on the Monterey Peninsula. Enjoy a VIP tour at Wild Things Exotic Animal Park and Safari Bed & Breakfast which cares for over 100 exotic animals, and operates E.A.R.S., a non-profit African elephant sanctuary. Have a hands-on experience with a 10,000 pound African Elephant, a Capuchin Monkey and a Siberian Lynx while you also visit with other lions, tigers and bears. Tour the most unique overnight accommodations experience where they provide African tent-style bungalows including continental breakfast delivered each morning by an elephant.

- What to expect:** You will be guided through a world class facility dedicated to providing professionally & humanely trained wild/exotic & domestic birds and animals for film, television, live productions, education and much more. Wild Things takes great pride in offering sanctuary to many animals that can no longer participate in entertainment or would otherwise not have a home or family. You will have the opportunity to be up close and personal with an assortment of animals including elephants.
- Departing From:** Motorcoach in front of Monterey Marriott on Calle Principal
- Time:** 2:30 PM
- Where To:** You will be heading towards Salinas on Hwy 68 and turn off at River Road (where there are lots of Wineries for you future reference) and head south for a total drive time of about 30 minutes.
- What to Wear:** Shorts, T-shirt, Hat/Cap, Sunglasses, perhaps a light sweater in case the wind starts up otherwise it is much warmer in the Valley as opposed to along the Ocean.
- What to Bring:** Sunscreen and sun hat, Camera, Water Bottle.
